PERSONAL TAX REPEAL WILL FOLLOW DECISION Expecting That Incoming Legislature

Will Carry Out Party Plank. The supreme court of the state has onal tax which means a great deal of business for constables, sheriffs and justices of the peace and an easy time for the police. The decision is to the effect that the personal tax is a civil matter and no criminal officer can operate in the way of collecting it. In the way suggested by the supreme ourt the delinquent will have to pay the justices, the tax collector and the onstable, which means a good deal nore than the police court costs.

This way of collecting the tax will be more costly to the delinquent than

There is a plank in the demogratic platform calling for the repeal of the tax and there is little doubt that a sufficient number of republicans in the house will co-operate with the democratic majority in the senate and
